

# Everything's Up to Date in Kansas City

Come to the 2018 NADTA Conference and let us show you what the central region has to offer!

For the 2018 North American Drama Therapy Association's annual conference we want to welcome you to the heart of America and show you what the central region has to offer. Jazz! Museums! World class sports, food, and performance! All this and more just steps outside of the conference venue. Come for what we are sure will be an amazing line up of presentations, then step out into the city to connect with other attendees over some of the best BBQ in the world.

## Getting There

We recommend flying in to the **Kansas City International Airport** (airport code: MCI) and booking early to ensure you get the best deal.

Once you've arrived, the conference is being held at the **Sheraton Kansas City Hotel at Crown Center**, right in the middle of some of the best attractions the city has to offer. They don't offer

transportation to and from the airport, but don't fret- KC has you covered! The hotel recommends booking a **SuperShuttle** in advance, and the airport provides a handy list of other options for **ground transportation** found [here](#) In addition, you can also utilize uber or lyft.

## Getting Around

After you've settled in to your room, if you want to venture out, the city is super accessible from the hotel. In fact, even if you are not the venturing type, you'll find two live theatres, tons of shops, and a wide variety of food, without ever stepping outside! The locals will argue over the best BBQ in town, but we'll be quick to tell you how to get there via a **walk, bus system, ride share service, car share service**, or best of all... the **FREE streetcar**, located conveniently near the hotel. For more information on the streetcar, [click here](#).

As we get closer to the conference we'll give you a look at some great places you can visit in the city with your colleagues and friends to discuss the sessions you attended. In the meantime, [Visit KC](#) is full of suggestions and some great maps! You'll want to check out the ['Crossroads/Crown Center' map](#) for the sights nearest our hotel and the [street car route](#) to see just how far you can explore for free.
